

Proof of Identification

Before your child's enrollment, please bring your child **Birth Certificate or other documents** (please see below) for verification.

Proof of child's identity and age may include a certified copy of the child's birth certificate, birth registration card, notification of birth (hospital, physician or midwife record), passport, copy of placement agreement, or other proof of the child's identity from the child's placing agency, record from a public school in the U.S. that a certified copy of the child's birth record was previously presented or copy of the entrustment agreement conferring temporary legal custody of child to an independent foster parent. Viewing the child's proof of identity is not necessary when the child attends public school in Virginia and the center assumes responsibility for the child directly from the school (i.e., after school program) or the center transfer responsibility of the child directly to the school (i.e., before school program). While programs are not required to keep the proof of the child's identity documentation of viewing this information must be maintained for each child.
